

**Think Visibility  
Sponsorship  
March 2012**

**Our conference is a  
little different**

# Voted #1 SEO Conference in the UK

# We <3 our Sponsors

**Sponsoring Think Visibility doesn't just get your logo on the website and tickets to the event, you become part of the event..**

**Here are just some of the things we can offer**

- themed quiz rounds
- Your own pick n mix flavour
- tweet wall branding
- Customised after party
- branded lanyards
- Tickets for your team
- On stage mentions during the day
- Attendee bag drops
- Brand interaction with our attendee forum
- Exclusive conference announcements for your website
- Stand Space

# Just to be upfront

**There are a few things we DONT do for sponsors...**

- **Sponsor = Speaking** (You can apply like everyone else but sponsoring does not equal a speaking slot)
- **Attendee Email Addresses** (We will happily add your message to our newsletter, but we do not supply emails, it's just not cricket)
- **Booth Babes** (Dom gets a bit jealous of anyone that outshines him in a gold sparkly something)
- **Massive Exhibition Stands** (We can deal with signage and small stands but we don't have a lot of space)

**As much as we need sponsorship**

**We want a cracking event for all our attendees**
